Please visit the secured web site for Oregon rate information.

Products not available in all states. Rates, state availability and product information for all products, including retired products, can be found on the secured website.

¹ Accepts additional premium during the first two months of the contract. Purchase payments will be credited interest while in the holding account (purchase payment account) until terms begin on the 6th or the 20th of the month. After that time, amounts will be credited interest according to the selected strategy(ies).

² The guaranteed minimum declared rate is 1.00%.

³ Future Indexed Strategies could offer alternate options and rates. 1-year monthly averaging with cap and point-to-point strategies have guaranteed 100% participation rates and 0% index factor and a minimum cap guarantee of 1% for contract duration.

⁴ For Safe Return, the guaranteed minimum surrender value is 100% at 1% less any withdrawals and the applicable early withdrawal charge rate multiplied by the account value. For Safe Outlook, the guaranteed minimum surrender value is 90% at 1% less any withdrawals.

⁵ Contracts will be issued upon receipt of purchase payment. Purchase payments will be credited interest while in the holding account (purchase payment account) until terms begin on the 6th or the 20th of the month. After that time, amounts will be credited interest according to the selected strategy(ies).

⁶ Future Indexed Strategies could offer alternate options and rates. 1-year strategies have a minimum cap guarantee of 1% for contract duration. 18-month point-to-point strategy has a minimum cap guarantee of 1.5% for contract duration. If applicable, strategies have a guaranteed 100% participation rate and 0% index spread.

⁷ For American Legend III and American Valor 10, the guaranteed minimum surrender value is 100% at 1% less any withdrawal charge rate multiplied by the account value. For American Legend II, the guaranteed minimum surrender value is 100% at 1%, less early withdrawal charges that would apply to a full surrender.

 $^{^8}$ S&P 500 18-month point-to-point strategy not available in New Jersey or New Hampshire.

⁹ Yield based on current interest rate with premium bonus.

¹⁰ Referred to as purchase payment bonus in the contract.

Great American Life Insurance Company® Fixed Annuities

Rates as of June 2, 2014

Order tickets with checks received in the Home Office by end of business day Friday, May 30 will be processed with the previous rates. Transfers and rollovers received by May 30 must have funds in the Home Office by Friday, June 27 to receive the previous rate.

¹ AV is used to calculate annuity benefit payments for annuitization periods of at least seven years or life. Upon death of the owner, the death benefit will equal the AV. Net SV is available for withdrawals, full surrenders and annuitizations less than seven years.

Products not available in all states. Rates, state availability and product information for all products, including retired products, can be found on the secured website.

For producer use only. Not for use in sales solicitation.

² Yield based on 1.55% AV rate, 1.00% available portion of 10% annuitization bonus (available starting in contract year two) and 0.03% interest on available portion of bonus at the rate of 1.55%. Annuitization bonus is not available if contract is annuitized for less than seven years.

³ Yield based on current interest rate with a first-year bonus and increasing base rate for the initial term.

⁴ Escalating interest rates guaranteed for initial term.

⁵ SPIA rates are as of 2/10/14. Log into www.GAIGannuities.com and look under Business Building then Sales Tools for an illustration.
