Pacific Life Insurance Company is licensed to issue individual life insurance and annuity products in all states except New York. Product availability and features vary by state. Individual life insurance and annuity products are available in New York through Pacific Life & Annuity Company. Each company is solely responsible for the financial obligations accruing under the policies it issues, and its product and rider guarantees are backed by that company's financial strength and claims-paying ability.

Pacific Life Insurance Company's and Pacific Life & Annuity Company's individual life insurance products are marketed exclusively through independent third-party producers, which may include bank-affiliated entities.
